Nazareth Communications, Inc., by its undersigned attorney and pursuant to section 73.3525 of the Commission's Rules and Regulations, 47 C.F.R. §73.3525 (1993), hereby respectfully requests leave to amend its above referenced application. As grounds for its request, Nazareth shows and states as follows.

1. Section 1.65 of the Commission's Rules that an applicant amend its application when the information in the application is not longer substantially complete and correct. In its application, and again in an amendment to its application, Nazareth described certain programming plans and other proposals which involved the cooperation of Presbyterian College. Whether those representations were authorized, or were made in good faith is presently sub judice

in conection with Toccoa Falls College's (Toccoa Falls) "Motion To Enlarge Issues." However, approximately a week ago Mr. Bridge's, Nazareth's president, recieved the following letter from President Orr of Presbyterian College. Whatever Mr. Ted Brown had authority or apparent authority to discuss Presbyterian College's plans, as argued by Nazaeth elsewhere, is irrelevant in view of President Orr's communication to Nazareth. In obedience to his demand, Nazareth is forthwith deleting all reference to Presbyterian College from its application.

WHEREFORE, the foregoing premises considered, Nazareth Communications, Inc. respectfully requests that its proferred amendment be accepted.

Respectfully Submitted,

NAZARETH COMMUNICATIONS, INC.
